

The Wisconsin Society of Anesthesiologists

September 7 – 8, 2013
The Pfister Hotel
Milwaukee, Wisconsin

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Medical College of Wisconsin and The Wisconsin Society of Anesthesiologists. The Medical College of Wisconsin is accredited by the ACCME to provide continuing medical education for physicians.

The Medical College of Wisconsin designates this Live activity for a maximum of 11.0 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Hours of Participation for Allied Health Professionals
The Medical College of Wisconsin designates this activity for up to 11.0 hours of participation for continuing education for allied health professionals.

Learning Objectives

- Explain the rationale for various anesthesia care plans for urgent deliveries.
- Choose from different non-opioid adjuncts to improve postoperative pain.
- Assess intraoperative fluid status by non-invasive means.
- Use lung-protective ventilation strategies in the operating room and the intensive care unit.
- Apply new developments during ACLS and cerebral resuscitation.
- Describe the implications of new coronary revascularization strategies and anticoagulants on preoperative clearance.
- Describe non-rational factors in the medical decision making process.
- Implement and conduct quality improvement and simulation as part of new recertification and licensing requirements.
- Have an improved understanding of transesophageal echocardiography and how it can add to decision making during non-cardiac surgery.
- Use new devices to manage difficult airways.
