FUTUROLOGY: RECENT AND UPCOMING DEVELOPMENTS IN ANESTHESIOLOGY

Program Chair:
Martin Samborski, MD

11 *AMA PRA Category 1 Credits™*
9 *SAM (MOCA® Part II) Credits*

www.thewsa.org

GOALS & OBJECTIVES

After attending this program you should be able to:

1. Demonstrate the anatomy of commonly performed upper extremity, lower extremity, truncal, and neuraxial nerve blocks.
2. Employ techniques to limit or potentially eliminate the need for transfusion.
3. Discuss new technologies present within the cath lab and management of patients with ventricular assist devices.
4. Review the physiology of ECMO and discuss recent uses of ECMO technology for cardiorespiratory support.
5. Identify patients who would benefit from PECS block for chest wall surgeries.
6. Explain how bedside TTE could aid in anesthetic management of patients.
7. Manage neuromuscular blockade with suggamadex and understand the potential pros and cons of its use.
8. Describe the anesthetic management of patients with newer implantable pain treating devices.
9. Explain the current medical legal issues affecting Wisconsin anesthesiologists.
10. Discuss what MACRA is and how it affects reimbursement for providers.
11. Recognize when techniques utilizing tracheal tube introducers can aid in securing difficult airways.

TARGET AUDIENCE

This program is designed for physicians or other practitioners in the field of anesthesia with an emphasis on current practice trends within the field of anesthesia.

OVERALL GOAL STATEMENT

The goal of this program is to provide informational and practical information on various developments within the field of anesthesia.

CME ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Amedco and the Wisconsin Society of Anesthesiologists (WSA). Amedco is accredited by the ACCME to provide continuing medical education for physicians.

CME CREDIT DESIGNATION STATEMENT

Amedco designates this live activity for a maximum of *11 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOCA® ACCREDITATION STATEMENT

This activity contributes to the patient safety CME requirement for Part II: Lifelong Learning and Self-Assessment of the American Board of Anesthesiology's (ABA) redesigned Maintenance of Certification in Anesthesiology Program® (MOCA®), known as MOCA 2.0™. Please consult the ABA website, www.theABA.org, for a list of all MOCA 2.0 requirements.

CLAIMING YOUR CONTINUING MEDICAL EDUCATION (CME) CERTIFICATE

To claim your CME credit, visit WSA.CmeCertificateOnline.com. Click on the "WSA 2017 Annual Meeting" link, complete the survey and print your certificate. Questions? Email Certificate@AmedcoEmail.com

MAINTENANCE OF CERTIFICATION IN ANESTHESIOLOGY PROGRAM®

The WSA is offering up to 9 SAM (MOCA® Part II) Patient Safety Credits. This accredited activity helps fulfill the patient safety CME requirement for the American Board of Anesthesiology (ABA) MOCA® Part II requirement.

To claim your SAM credit, please sign in at the registration desk anytime during the Annual Meeting, visit WSA.CmeCertificateOnline.com and follow the instructions below.

SAM (MOCA® Part II) ONLY: If you need SAM credit **ONLY**, choose "WSA 2017 Annual Meeting" link, indicate which SAM sessions you want to claim credit for, complete the posttest questions, answer evaluation questions and retrieve your certificate.

CME Balance: If you need the balance of CME credit, after claiming your SAM credit, choose the "WSA 2017 Annual Meeting" link.

You MUST deduct your SAM credit claimed from the total amount of CME credits offered. For instance, if you claim all 9 SAM credits, you can only claim 2 CME credits, for a total of 11 credits.
