

75TH ANNIVERSARY

2022 Annual Meeting

Back to Basics: Practical Applications in Anesthesiology

September 10-11, 2022

The Pfister Hotel • Milwaukee, WI

Program Co-Chairs: *Lara India, MD & Jennifer Hass, MD*

10.00 AMA PRA Category 1 Credits™

■ www.thewsa.org

President's Invitation

On behalf of the Wisconsin Society of Anesthesiologists (WSA) Board of Directors, I invite you to join us at this year's WSA 2022 Annual Meeting, *Back to Basics – Practical Applications in Anesthesiology*. Chartered by the

American Society of Anesthesiologists (ASA) in 1947, this year is WSA's 75th anniversary. We are excited to celebrate by hosting this year's meeting in-person at the historic Pfister Hotel in Milwaukee, one of Wisconsin's few four diamond hotels.

The Program Co-Chairs for this meeting, Dr. Lara India and Dr. Jennifer Hass, both Assistant Professors at the Medical College of Wisconsin, have organized a diverse and exciting program. Topics include environmental impacts of anesthesia practice; cardiac, thoracic and vascular anesthesia; regional anesthesia; ambulatory anesthesia; the role of the anesthesiologist in advance care planning; suboxone and opioid agonist perioperative management; perioperative management; the bionic patient – implications of implanted and attached devices; and medical relief and the war in

Ukraine. We are also offering two workshops on Saturday, Point-of-Care Ultrasound and Regional Anesthesia. There is also an opportunity to participate in Problem-Based Learning Discussions on transplant, pediatric and obstetric anesthesia.

Additionally, we are planning a special event for Saturday night. We have reserved private suites on the club level to watch the Milwaukee Brewers play the Cincinnati Reds at American Family Field. This will be a great opportunity to reconnect with friends and colleagues. For \$125, you receive a game day ticket, food, and beverage. Be sure to purchase your tickets early as there are limited spots available.

Please join us from September 10-11, 2022 and take advantage of earning free CME, one of the many benefits of your WSA membership. I look forward to seeing you all there.

Sincerely,

Michael L. Bottcher MD FASA

Michael L. Bottcher, MD, FASA

President, Wisconsin Society of Anesthesiologists

Goals & Objectives

After participating in this activity, the attendee will be able to:

- Relate several ways in which anesthesiologists can have a far-reaching impact on the world through environmental efforts and global outreach.
- Reframe the role of the anesthesiologist in practice areas historically designated to other specialties, such as point-of-care ultrasound and advance care planning.
- Demonstrate anatomical placement and understand the use of ultrasound guidance for common regional blocks and point of care applications.
- Develop strategies to reduce the risks associated with regional anesthesia.
- Discuss updates in essential perioperative management, including management of newer therapies for chronic diseases and preoperative optimization.
- Apply perioperative best practices to patients with substance use disorder and implanted / attached devices.
- Discuss subspecialty-specific considerations for key issues in cardiac, pediatric, obstetric, transplant, regional, and ambulatory anesthesia.
- Appreciate how the American Society of Anesthesiologists is engaging federal stakeholders and the implications for your individual practice.
- Discover emerging techniques and concepts to improve your anesthesia practice, regardless of practice area; expand your network of colleagues and industry experts to facilitate future information sharing and collaboration.

REGISTRATION INFORMATION

Online Registration: www.thewsa.org

ABA ID # _____

Online registration accepted until September 6, 2022.
After September 6, 2022 you may register onsite.

Mail or Fax Registration Form *Required for CME credits

This is how your name will appear on your name badge.

*FIRST NAME: _____ *LAST NAME: _____

*COMPANY/INSTITUTIONAL AFFILIATION: _____

*CREDENTIAL(S): _____

*ADDRESS: _____

*CITY: _____ *STATE: _____ *ZIP: _____

CELL: (____)____-____ HOME: (____)____-____

*EMAIL ADDRESS: _____

SPOUSE/GUEST NAME FOR MEETING BADGE (*Additional Guest Fee Applies): _____

SPECIAL NEEDS: Dietary: _____

Other: _____

Breakout Options

- 8:30-10:00am **WORKSHOP: Point-of-Care Ultrasound Workshop**
- 1:00-2:00pm **PBLDs: (Select ONE):** Transplant Pediatrics Obstetrics
- 3:30-5:00pm **WORKSHOP: Regional Anesthesia Techniques**

Registration Fees Payment must accompany registration, if applicable.

(Includes registration and course materials, CME credits, breakfasts, lunch, breaks)
